

American Zhu Kezhen Education Foundation

December 25, 2007

Dear Zheda Alumni and Friends,

The American Zhu Kezhen Education Foundation (AZKEF), founded in 1995 by Zheda alumni in North America, is designed to promote the exchange and cooperation between Zheda and U.S. universities in education and research. AZKEF has received approximately \$500,000 from Zheda alumni during the past twelve years. Many of the past and present members of the Board of Directors (BOD) of the National Zhejiang University North America Annual Alumni Convention (NCUAA) have volunteered their time and/or made monetary donations to support AZKEF. Given the majority of the founders of AZKEF and NCUAA are now in their 80's, it is of particular importance that the younger generation alumni who now comprise the majority of the NCUAA membership assume the responsibility of the senior alumni and continue their noble causes.

We would like to invite you to participate in supporting our fundraising effort by helping the organization to reach its annual goal of raising \$30,000 for 2008. In celebrating the twelve-year anniversary of AZKEF, we would like to encourage you to provide a minimum contribution of \$12 this year. We understand that each one of us has a different financial situation, but it is your spirit of caring and participation that will make our organization and our university a great success, whether your gift amounts to \$12, \$120, \$1,200 or any other denomination. We are confident that, with your valuable and indispensable support, we will be able to achieve our goal for this year.

We thank you very much for your continued support for AZKEF.

Sincerely,

Dr. *Feiyue Wang*, President of the AZKEF

Dr. *Stephen Zhou*, Co-Chair of the Fundraising Committee

Dr. *George Hong*, Co-Chair of the Fundraising Committee

AZKEF is a non-profit organization in the United States with its IRS Tax ID number 94-3227113. As such, your donations will be tax-deductible. Once we receive your donations, we will provide you with an official receipt for your tax return purpose.

At present, we are managing the following programs for your reference: 1) supporting world leaders in science and technology to present the Zhu Kezhen Annual Distinguished Lectures at Zhejiang University; 2) supporting current Zheda faculty for sabbatical leave in the United States; and 3) providing student scholarships. All these efforts have noticeably improved Zheda's academic reputation and visibility as a world-renowned university.
